

STAND UP POUCHES

Smart Pouches

FlexiPACK Ltd.

Overview

A stand-up pouch is a flexible packaging solution, which has grown drastically as part of modern packaging solutions, with unlimited designs. It is a pouch with a gusset area folded inward and upward and sealed on both sides thus “standing up”. Stand-up pouches are also commonly known as DoyPack (Doyen) Pouches or SUP’s and used for many industries

FOOD & BEVERAGE PACKAGING

Sweets & Snack Foods, Processed Foods, Fresh Produce, Beverages, Meat Poultry & Seafood, Pet Food, Cheese and many more.

NON-FOOD PACKAGING

Health and Beauty, Medical & Pharmaceutical, Consumer Products, Industrial & Other Products.

Our flexible stand-up pouches are second to none in terms of graphical composition and quality construction. Our high-quality rotogravure print capabilities have helped us produce stand-up pouches to meet any sort of printing requirements.

Stand up pouches also feature a sustainable option compared to plastic bags, cans or any traditional packaging.

Some of the key benefits include

- ✓ Excellent barrier properties
